[Q: Is domestic violence covered by Title IX and does the institution have an obligation to act?](#)

A: Yes. If a male and female student-athlete are dating each other and during a team trip off-campus, they begin fighting with each other, the institution has an obligation to act. Interpersonal violence, domestic violence, intimate partner violence, if based on gender, is a violation of Title IX if occurring on-campus or off-campus during or associated with college activities, such as team trips.
